ABOUT COMPANY

Founded and incorporated in 2020 under the Companies Act, "Valor Grant General Trading LLC" was established by a team of experts and has since become a prominent provider of extensive supply chain solutions. Our focus remains on addressing the varied requirements of businesses in different sectors.

Through steadfast dedication to dependability, effectiveness, and ensuring customer contentment, we have solidified our position as a reliable in the industry. Our team of experts provides innovative solutions and ensuring smooth operations for our customers. By expanding Valor Grantcore activities, we aim to be the "One-Stop-Shop-Services" destination to provide full solutions & innovations to the building & construction sector".

INTRODUCTION

Founded in Abu Dhabi, UAE, VALOR GRANT TRADING LLC has swiftly established itself as one of the most trusted and reputable suppliers of premium industrial equipment across the UAE and the wider Middle East. We specialize in a diverse range of products, including Industrial Electrical & Lighting, Personal Protective Equipment (PPE), Hand & Power Pneumatic Tools, Welding & Cutting Equipment, Cable Management Systems, and Mechanical Equipment. Serving key industries such as Oil & Gas, Construction, and General Industrial sectors, we go beyond being a typical supply center—we are a vital partner in your project's success.

At Valor Grant, our strength lies in our technical expertise, industry experience, and unwavering commitment to quality, earning us the trust of clients in both hazardous and non-hazardous environments. By collaborating with top global manufacturers, we secure competitive pricing while maintaining superior product standards. Our dedication to delivering exceptional products and services continues to foster long-term partnerships, driving excellence and reliability in every project we support.

CERTIFICATION

ISO 9001:2015 Certification Our ISO 9001:2015 certification reflects our commitment to maintaining high-quality standards in every aspect of our operations, ensuring efficiency and customer satisfaction through reliable and consistent processes.

ISO 45001:2018 Certification With ISO 45001:2018 certification, we prioritize workplace safety, implementing robust systems to protect the health and wellbeing of our employees, clients, and partners on every project.

In-Country Value (ICV) Certificate Our In-Country Value (ICV) certification highlights our dedication to supporting the local economy by sourcing goods and services from UAE-based suppliers, contributing to sustainable growth and development.
